

WORLD OF RADIO #1018, produced Dec 28, 1999 by Glenn Hauser

- *Standard disclaimer
- *Our broadcast on WBCQ moves half an hour later to Wed 2230 on 7415
- *WWCR schedule could change in January; our Sun 0730 on 5070 was missing last week, but only for a special
- *Follow New Year arrival according to sked in December MONITORING TIMES
- *CNN [domestic] not scheduled for continuous NY coverage, unlike PBS, ABC and Pax TV networks
- *Radio New Zealand International's plans at <http://www.topica.com> in the swprograms archive (also Australia); RNZI frequency schedule changes
- *R. Australia's Y2K special
- *R. Japan always does NYE special, but no specific details
- *Bangladesh Betar on precise non-standard frequency
- *Now's the time for superb reception of SLBC Sri Lanka
- *unID on 7072 seems to be Iranian clandestine V. of Mojahed, not Afghanistan
- *R. Sultanate of Oman English atop HCJB
- *V. of Russia stopped Kosovo service
- *R. Yugoslavia only using one transmitter
- *Swiss Radio International newsroom no longer 24 hours
- *Somaliland newspaper accuses BBC Somali service of partiality toward Mogadishu
- *BBC WS previews: Meridian Feature; Composer of the Month; Inspiration
- *R. Cairo seems to have replaced English to eastern NAM [back to normal as of Dec 28]
- *New relay via Germany is Ethiopian clandestine
- *FEBA Seychelles English schedule
- *NBC Namibia carries NPR program thru WRN
- *Radio Sonora, Peru seems to replace R. Comas
- *Cuban Communications Minister acknowledges SW relays of China; to be increased
- *<http://www.listentotheneeds.com> site taken down after National Public Radio threatens legal action over linking; this would threaten the entire structure of the Internet
- *Norman Corwin special on public radio stations
- *Capitol Steps comedy special around NYE on public radio
- *WOR 1018, Box 1684, Enid, OK 73702 USA; or wghauser@yahoo.com <https://www.angelfire.com/ok/worldofradio>
- *Shortwave Year in Review, unabridged version. [See full script at <https://www.angelfire.com/ok/worldofradio/swyir99.txt>]
- *For more details on these stories, or their sources check our Monitoring Times columns from last March to next February and/or the DX reports archived on the World of Radio website
- *Happy New Year, from Glenn Hauser
